### STATEMENT ON FINANCIAL AID

Financial aid is awarded on the basis of a family's financial need. Financial need is established through an analysis of the Parent's Financial Statement (PFS) of The School and Student Service for Financial Aid (SSS). A PFS form is sent by The Kildonan School to each family that indicates an intention to apply for financial aid. The form allows for a detailed accounting of a family's resources. In addition, parents may be asked to submit to Kildonan a copy of their most recent IRS Form 1040 with appropriate schedules. The decision concerning financial aid is made by the Financial Aid Committee using the information provided by the family and the procedures and formulae recommended by SSS. Most financial aid is in the form of grants, which do not have to be repaid to the school.

Please contact the Admissions Office for more information about Financial Aid.
