

The Kildonan School Assistive Technology Program

Honor Contract for Test Taking

As a member of the Assistive Technology Program at The Kildonan School, I am entitled to use the various AT software and devices to complete subject matter quizzes and tests. I understand that it is a privilege to use AT for quizzes and tests, and I promise not to abuse that privilege. I will complete quizzes and tests using my own knowledge, and I will not seek out answers on the Internet, my computer desktop, a USB drive, or any other source that gives me an unfair advantage over my classmates who are not using assistive technology. I understand that my right to use AT for quizzes and tests could be taken away if I do not use it responsibly.
