

McCarthy's Pharmacy

6032 Route 82, Stanfordville, NY 12581

Phone: 845-868-1010

Fax: 845-868-1006

Email: mccarthysrx@gmail.com

2019 Checklist to have McCarthy's Pharmacy fill medications for camper:

- To avoid rush fees, have **all** forms, **all** insurance information and **all** prescriptions (except control medications) **complete, matching and submitted** to the pharmacy 30 days prior to your camp start date. **NO EXCEPTIONS.**
- If all forms, all insurance information and all prescriptions(except controls) are **NOT** complete, matching and submitted to the pharmacy four days prior to your start date, **WE WILL NOT FILL YOUR MEDICATIONS, NO EXCEPTIONS.**
- Fill out the Medication Request Form (if you have more than one camper, please fill out separate form for each). This form is to be completed by parent/guardian, **not the prescriber.** This double checks to make sure prescriptions are written and filled accurately. All **prescription and non-prescription (OTC, vitamin & supplement)** items to be filled, supplied and/or packaged by McCarthy's Pharmacy are to be listed on this form.
- BRING ANY CONTROL MEDICATIONS YOU HAVE ON HAND AND COPY OF THE PRESCRIPTION(S) WITH YOU TO CAMP.** We will fill them if needed while at camp, but cannot be filled until 5 days prior to the existing prescription running out.
- Get new prescriptions (for all **prescription and non-prescription**) items listed on the Medication Request Form from prescriber(s). There is an optional letter to submit to prescribers to assist with this. All prescriptions must be written for a 30 day supply (not more, not less).
- For campers staying more than 30 days or multiple sessions, there will need to be refills.
- Prescriptions that are to be filled with brand name only, the prescriber must specify Dispense as Written, or it will be filled generically. Make sure you are submitting a prescription for every item listed on the Medication Request Form.**
- Fax (845-868-1006) or email (mccarthysrx@gmail.com) copies, front and back, of all insurance cards
- All forms are to be faxed to 845-868-1006 or emailed to mccarthysrx@gmail.com.
- All prescriptions are to be faxed to 845-868-1006, hard copies of prescriptions(even if faxed in) are to be mailed to: Attn: Jim, McCarthy's Pharmacy, 6032 Route 82, Stanfordville, NY 12581.
- If your primary pharmacy automatically fills your prescriptions, especially if it is a mail order pharmacy, have them **not** do so until your credit card(s) have been billed. This will prevent issues with billing your insurance and possibly making **you responsible for the full price** of your prescription(s).

- If you receive medications from a mail order pharmacy, call your insurance company and explain to them that your child is going to a residential summer camp that requires you to use their pharmacy for special packaging purposes. Your insurance should put an override in to allow us to bill them.
- Understand the fees and dates on the charts below. **NO EXCEPTIONS**

2019 Fee Schedule

Packaging & Processing Fee	Rush Fee up to 7 Days Late	Rush Fee up to 14 Days Late	Rush Fee up to 21 Days Late
\$39.00	\$10.00	\$20.00	\$30.00

I acknowledge responsibility and authorize the pharmacy to charge my credit card(s) listed above, for the cost of any medications not covered by my insurance, for any medications the pharmacy cannot get reimbursed for, as well as any co-payments, deductibles and pharmacy fees (see fee chart below). I agree to authorize the pharmacy to contact my insurance company for insurance verification, billing and collections for my child's medications. Our licensed pharmacy is HIPPA compliant and all personal information received will be solely maintained for the purpose of dispensing prescription and insurance collections.

FAQs

- Q What if the prescriptions are too early to bill to my insurance?
- A Most insurance plans will accept a vacation override for prescriptions to be filled early. If the insurance does not accept vacation overrides, we will bill the insurance company when prescription(s) are due.
- Q When will my credit card(s) be charged?
- A Fees will be charged to your credit card starting one week prior to the camp session start date. Once all prescriptions have been billed through your insurance, we will then charge the copay(s)/prescriptions to the credit card. When campers are at camp more than 30 days we will fill refills and charge the credit card accordingly.
- Q What if there are **supplements/non prescription** items to be filled that the pharmacy cannot provide?
- A **The pharmacy will contact you if they cannot supply the items.** You can ship them to the pharmacy to be packaged for an additional \$3.00 per item. The items sent to us must be sealed bottles, open items will not be used. Send these items to the address above and include a copy of the Medication Request Form. These items must be approved by the physician by writing prescriptions for them.
- Q What will happen to any medications not used at camp?
- A Any medication not used at camp will be returned to you when the camper is picked up. **Make sure you do not leave them behind.**
- Q Why does the paperwork need to be submitted 30 days before camp starts?
- A It gives us time to thoroughly go through everything submitted, confirm active insurance coverage, make phone calls to clarify anything in question, package the medications and deliver them to camp a week before the session starts.
- Q What is special about having McCarthy's Pharmacy fill the medication over bringing our own?
- A We use a packaging system called Medicine-On-Time. This is a multi-dose color coded blister packing system. This system packages all pills given at each dispensing time together in a blister card. All of the blister cards are color coded to match the charts on the MSRs (medication supervision record) that we print and supply for camp. This is essential for the Heath Center to dispense medication accurately. Visit www.medicine-on-time.com for a video and other information on the Medicine-On-Time system.
